Our Annual Multi-Cultural Festivity

This year's festivity will be hosted by grade level. It will be a time to explore and share your family traditions. We invite you to share some of your authentic ethnic foods or baked goods (up to 5 servings). A poster featuring how you made it with your child would be a fantastic addition to showcase our school's cultural diversity. Please be sure to create a label of your dish with all active ingredients. Allergens include eggs, tree nuts, peanuts, soy, fish.
